Certification Committee

This certificate is issued electronically and remains the property of C1 Certification AB, to whom it must be returned upon request. Its validity is subject to the continued satisfactory operation of the certified management system and to successful completion of the annual surveillance audits established in the certification agreement. The certificate certifies the management system of the organisation named above and does not apply to its products or services; the certificate and the C1 Certification mark may not be used on products or in product documentation. Authenticity and current status can be verified at any time in the public register at verify.c1certification.com. This certificate was issued following a remote audit performed in accordance with ISO 19011:2018 and IAF MD 4. C1 Certification AB is accredited by Swedac — Swedish Accreditation Council (accreditation no. 10432) for the certification of information security management systems; scope and status are published at ackrediteringar.swedac.se/10432. C1 Certification AB, Olof Palmes Gata 29, 111 22 Stockholm, Sweden. Org.nr 559224-7216.
